The event takes place on the Lincoln Airport Green Space at 3801 NW 34<sup>th</sup> Street. Bring your popcorn and enjoy the movie!

Returning to the West Ramp near the end of West Mathis Street

will be the Commemorative Air Force featuring their Airpower History Tour. Here from August 7-11 you will be able to experience the sights, smells and sounds of historic World War II aircraft will have the opportunity to get up close & touch the aircraft, tour the cockpit and talk to the crews. You can even book a ride on one of the vintage aircraft. This is truly an opportunity for young and old to revel in the history of aviation.

Beginning August 26th the SCCA

(Sports Car Club of America) returns to the west ramp to prepare for their annual Tire

Rack SCCA Solo National Championships that run through September 9<sup>th</sup>.
