

Summary of VASH Checklist

VASH- Housing Choice Voucher

Anniversary
month _____

- 40% Maximum Rent Burden.** For all vouchers issued for new admissions or transfer, LHA will prohibit a voucher household from renting a unit, if the gross rent (contract rent plus utility allowance) exceeds the payment standard and the family's share of tenant rent plus utility responsibility exceeds 40% of their adjusted monthly income.

- Interim Reviews**
 - **Family Composition Changes:** All family composition changes must be approved by Lincoln Housing Authority prior to the individual moving in or out of the unit. You must provide LHA your landlord's written approval for the household change. All eligibility factors including income will be updated to determine the appropriate rent adjustment. Prior approval is not required for additions by birth, adoption or court-awarded custody, however the family must inform LHA in writing within 30 calendar days of the birth, adoption or court-awarded custody.

 - **Income Changes:** Income changes must be reported at the next annual examination. LHA will adjust rent prior to annual examination upon written request from the family. Families who report zero income will be required to report income changes at quarterly certifications and rents will be changed accordingly. If the family is sanctioned, LHA will not perform interim reviews to decrease rent until the sanction period has been completed. Delays in adjusting income increase should benefit families who become employed.

Decreases: If a family member has reduced or terminated employment, LHA will not make any rent decrease until 90 days after the month in which the employment change occurred or after all verifications are received, whichever is the latest. Family members should utilize this time to find new employment. LHA will verify the income decrease and any replacement income. A decrease in the tenant's rent share will only occur if the replacement income is less than the income they have lost.

- Earned Income Calculations:** Future income will be anticipated during the certification period. Sporadic Income: If you have income history for the past 12 months your previous year's income may be used to anticipate future income.

- Medical Expense Deduction:** For elderly and disabled households only. LHA will deduct the out-of-the-pocket medical and dental expenses or insurance premiums that exceed 3% of annual household income.

- Minimum Rent:** Minimum rent charge is \$50.00. The family should notify LHA if unable to pay the amount due to a financial hardship.

- Portability:** Your voucher can be transferred outside of the city of Lincoln. Restrictions will be that your voucher would have to be ported to another “authorized” Housing Authority that is under the HUD VASH Program. Lincoln Housing Authority must received verification for consideration porting your voucher to another housing authority. You may only reside in jurisdictional areas that are accessible to case management services as determined by the partnering Veterans Administration Medical Center.

- Transfer from VASH to Moving To Work (MTW) Housing Choice Voucher:** You must maintain an active application on LHA’s MTW Housing Choice Voucher program to be considered for a MTW voucher after case management services are no longer needed. A MTW voucher will have many policy differences including changes to the amount of housing assistance provided.

- Failure to maintain VA case management services:** Your failure to cooperate and maintain case management services provided by Veterans .Administration Medical Center will result in termination of your housing assistance.

- Utility Reimbursements:** If the Housing Assistance Payment exceeds the rent to owner a utility reimbursement will be sent.
