BOWLING LAKE DOG RUN OPEN FOR BUSINESS

Attention all neighborhood dog owners. The new Bowling Lake Park Dog Run is now open at Bowling Lake. Located along the north edge of the large parking lot at NW 44th and West Cumming Streets, this area is open to the public now.

As with all of the Lincoln Dog Runs, this one is open everyday

from Sunrise to Sunset unless closed for maintenance. This site will be the smallest among the city's 5 Dog Runs so there will not be separation for large or small breed dogs. If public usage warrants an increase in space, there is room to expand to the north into the vacant police dog training area. That area

will take quite a bit more work to develop.

It is encouraging to see that some people are already taking it upon themselves to leave bags on site for dog waste. That is a good sign that the site will be well used.

NEW CITY COUNCIL PERSON BRODY WEBER

I am excited to introduce myself as your new member of the Lincoln City Council. As a lifelong resident of Northwest Lincoln, I am honored to have been elected to represent our community down at City Hall.

I grew up in the Highlands neighborhood and attended Fredstrom

Elementary. I was part of the first class to go all of the way through at Schoo Middle

School in Fallbrook before graduating from Lincoln North Star High School in 2016. In 2020 I received my undergraduate degree from the University of Nebraska-Lincoln and earned a law degree from Creighton University School of Law in May 2023.

I have spent most of my professional career working for our family business Mid-America Casing Supply, LLC,

a small tire warehouse company in the old Goodyear hangar in Airpark. I currently sit on the Board of Directors for the Highlands Neighborhood Association and Community Action Partnership of Lancaster and Saunders Counties, serving as Vice President. I have also been a lifelong member of St. Luke's United Methodist Church.

BOWLING LAKE DOG RUN OPEN (CONT'D)

The emphasis for this facility was driven by public surveys and comments over the last few years. The NW 48th Street Neighborhood Advisory Council (NAC48) did much of the planning and leg-work to see this project

through. Many thanks to this group for seeing this through to fruition.

Concurrent with the Neighborhood Clean Up a group of volunteers planted trees within the Dog Run as well as along the pathways at Bowling Lake. Many thanks to this group as well.

Of course, none of this would have been possible without the fabulous help from Lincoln Parks and Recreation. Our new NW team park supervisor Lance Wolken has been great in helping to revitalize our area parks. Thanks Lance as well as all of the Parks & Recreation staff
